Dear Traveler,

Welcome to the Regional Center for Infectious Disease & Travel Medicine! Thank you for choosing our office to assist you with your travel medicine needs. Before your scheduled appointment, please complete the following information and bring with you to your appointment.

- Travel questionnaire (available on our website)
- Immunization record, if available

You may review our list of fees available on our website. (Please note that some of these vaccines may not apply to your country of travel). You should be prepared to pay the consultation fee and whatever vaccinations you receive on your first visit.

If you have any questions or need more information, please feel free to contact us at (336) 832-3278.

We look forward to seeing you in our clinic!

Sincerely,

Regional Center for Infectious Disease & Travel Medicine
